There were many people who gave a gift but did not name a honoree. There were others who honored women with a gift but did not give their name. There were names that we could not read but gifts were given. Those names you will not find on this list, but we are very grateful to each and everyone for their gift and remembrance of special people in their lives. It reminds us once again of what the scripture says in Galatians 5:25; *If we live in the Spirit, let us also walk in the Spirit.*
